

Patient representative group

**Have a say
in the services
we provide**

We are looking for individuals to join a new group that will help us plan any changes and improvements to our services.

You'll help us ask the right questions in a regular survey of our patients.

Once we have the answers, we will develop a plan to improve anything highlighted as needing action. As a member of the group you will then agree the plan.

Membership will not take up a lot of your time.

Interested?

Please ask at reception for a form so we can contact you.
